AVAILABLE EXTERIOR COLORS

- Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. Cargo and load capacity limited by weight and distribution.
- Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details.
- Gross Vehicle Weight Rating (GWR). When properly equipped; includes vehicle, passengers, cargo and optional equipment.
- Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. Regular and Extended Cab models include an Air Bag Off Switch for use when carrying children. See the Owner's Manual for more safety information.
